

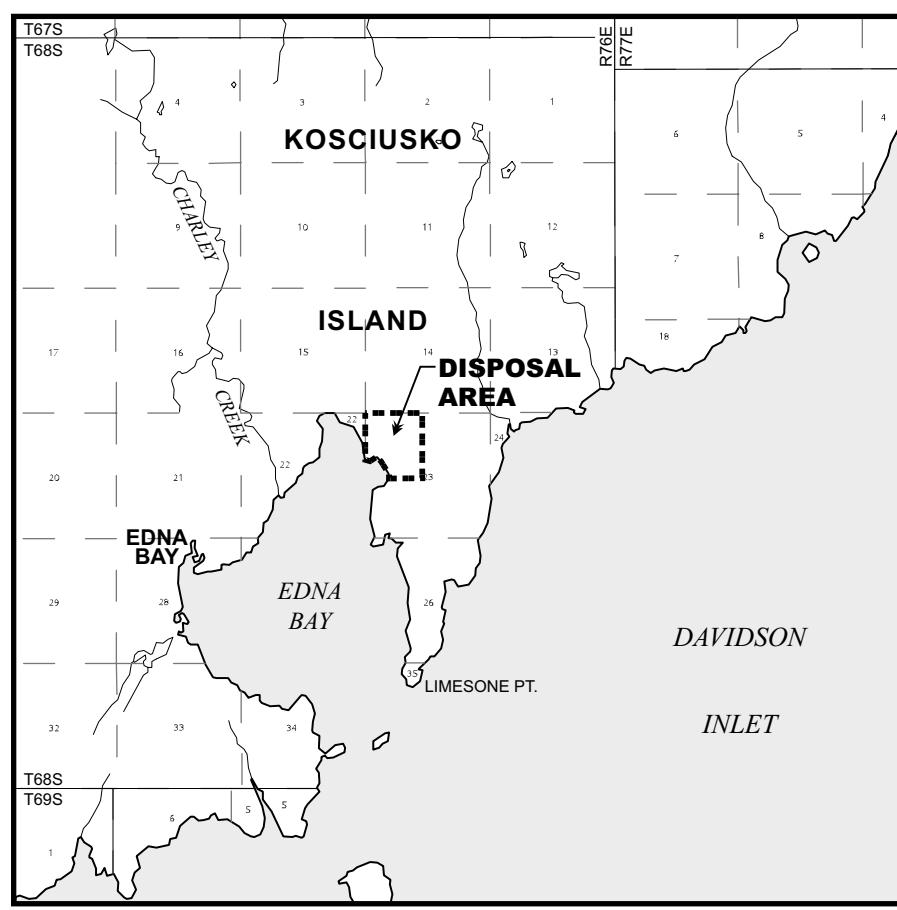

Map 1 - Edna Bay ASLS 81-116

Location	The community of Edna Bay is located on the southeast coast of Kosciusko Island, northwest of Prince of Wales Island in southern Southeast Alaska, about 90 miles northwest of Ketchikan.
Topo Map	USGS Quad Craig D-5
Access	Water access, by boat and floatplane, is the only practical access available to Edna Bay. Floatplane and boat service from Craig, Ketchikan, or Petersburg provide transportation and shipping. Edna Bay is not connected to the Prince of Wales Island's road system. The constructed roads within the subdivision to these three lots are steep and rocky.
Terrain	Parcels have steep undulating topography.
Soils	Soils are rocky, depending on location, and may vary from one to three feet of well-drained silt loam over limestone bedrock to areas of poorly drained, forested muskeg.
Vegetation	The area was logged in the last 10 to 20 years and the sites are forested with second growth hemlock and cedar with dense undergrowth.
Water Front	None
View	No view from Parcel 1. The other two parcels may have a view.
Climate	The area is dominated by a cool, maritime climate. Average temperatures in the summer range from 46 degrees to 70 degrees F; winter temperatures range from 32 degrees to 42 degrees F. Annual precipitation is 100 inches.
Water Source	Water for domestic use may be obtained by the collection of surface water from the small streams in the area or by roof-catchment systems.
Water/Sewage Disposal	There are no community facilities. A non-water carried sewage disposal system such as sealed-vault privy, humus, or incendiary toilet may be used on these lots. Any other type of sewage disposal system must be approved by the Department of Environmental Conservation prior to installation.
Utilities	None
Restrictions	Subject to platted easements and reservations, see ASLS 81-116. Some lots may contain wetlands. Purchasers will need to obtain a permit from the District Engineer of the U.S. Army Corps of Engineers before putting any dredged or fill material in wetlands (for example, to build a road, or any other land clearing activity involving land leveling).
Municipal Authority	None
Homeowners Assoc.	Edna Bay Community Association. Call Stephen Hopkins at 907-594-6345 for more information.
Other	Parcel 2 was partially clear-cut about 9 years ago. Much of the timber had little value and was never removed; these logs and slash are still piled on the lot.

Veterans' Land Discount

Per AS 38.05.940, eligible veterans may receive a **25 percent discount** on the purchase of state land. This Veterans' Land Discount may only be used **once** in an applicant's lifetime.

Veterans' Discount Qualifications

To be eligible, a veteran must submit proof, acceptable to the department, that he/she:

1. Is 18 years of age or older at the date of sale;
2. **Has been a resident of the State of Alaska** for a period of not less than one year immediately preceding the date of sale (see Residency Requirement);
3. Has served on active duty in the U.S. armed forces for at least 90 days, unless tenure was shortened due to a service-connected disability or due to

receiving an early separation after a tour of duty overseas (use Form DD 214); and

4. Has received an honorable discharge, or general discharge under honorable conditions.

For the purposes of this program, armed forces are limited to the United States Army, Navy, Marines, Air Force, and Coast Guard. Service in state National Guard units, the Alaska Territorial Guard, as well as Army, Navy, Marine, and Air Force Reserve service may also be included, provided the applicant can document the accumulation of 90 days of active duty service. A Form 214, Report of Separation from Active Duty, or the equivalent, showing the character of the discharge and length of active duty must be submitted. Interested veterans are encouraged to request their Form DD 214 well in advance of the auction.

The Veterans' Land Discount may be applied only to acquisition of surface rights to the land. **It may not**

be applied to survey and platting costs, or other costs reimbursable to the state. These reimbursable costs will be subtracted from the purchase price before the discount is calculated. The reimbursable cost per acre or lot is listed in the table below.

Successful bidders who qualify for the Veterans' Land Discount must apply for the discount at the time of the award notification. The amount of the discount will be deducted from the principal sum of the sales contract or from the purchase price if the purchase price is paid in full.

For a purchase to be made jointly with another, both purchasers must be eligible bidders. If both are also eligible veterans, only one 25 percent discount will be given and both veterans will have exhausted their once-in-a-lifetime land discount.

At right is an example of how a Veterans' Land Discount would be calculated for a 3.349-acre parcel with reimbursable costs of \$959 per acre; if the bid price were \$14,000.00:

VETERAN'S DISCOUNT CALCULATION

Per Acre Reimbursable Cost	\$ 959.00
"X" Parcel Size (Acres)	x 3.349
Total Reimbursable Cost	\$ 3,211.69

Veterans' Discount	\$ 2,697.08 \$ -2,697.08
